

ORNELT LEMELLARI

Junior Software Engineer | Software Engineering Student

Tirana, Albania | orneltlebellari@gmail.com

linkedin.com/in/orneltlemellari | github.com/orneltlemellari | orneltlebellari.github.io/Personal-Website

PROFESSIONAL SUMMARY

Software Engineering student (Year 3) at Epoka University with strong written and spoken English (Aptis B2 certified) and hands-on experience delivering production and academic software using Python, Java, C++, and modern web stacks (Next.js, ASP.NET Core, Supabase). Comfortable working independently, debugging across the stack, and communicating clearly with English-speaking teams and clients. Seeking an entry-level Software Engineer, IT Support, or Trainee role; available remote and for flexible hours.

WORK EXPERIENCE

Waiter

Bar, Korça, Albania — June 2023 – September 2024

- Handled customer orders and payments accurately, including cash handling and billing, during high-volume shifts
- Communicated directly with customers to take orders, answer questions, and resolve issues professionally
- Worked as part of a team to coordinate service during peak hours and tight deadlines
- Followed established service, hygiene, and safety procedures consistently
- Managed multiple tables and orders simultaneously while maintaining accuracy and attention to detail
